MÜŞERREF SELÇUK ÖZDEMIR

Freelance AI Developer · Data Scientist Candidate · Content Writer

selcuk.ozdemir23@hotmail.com | +90 545 807 38 11 | Amasya, Türkiye
muserref-selcuk-ozdemir | SelcukOzdemir23 | muserrefselcuk | linktr.ee/muserrefselcukozdemir

SKILLS

- Python
- Machine Learning
- Deep Learning
- Data Analytics
- Data Science
- LLM Applications
- RAG Systems
- Data Visualization
- Data Preprocessing
- Freelance Project Management

LEARNING

- Web App Development with Flask and Streamlit
- Advanced Deep Learning Models (CNNs, Transformers)
- LLM Applications and RAG Systems
- MLOps basics and model deployment

LANGUAGES

Turkish: Native

English: B2 Intermediate

ABOUT ME

I am currently working on freelance AI projects and exploring entrepreneurship. I serve as a bursary researcher in a TÜBİTAK 1002-A project on LLM-based literature analysis. I continue writing articles on Medium about technology, software, and personal experiences.

EXPERIENCE

TÜBİTAK 1002-A Project Bursary | LLM-RAG Based Supercapacitor Literature Analysis System

2025 – Present | Fırat University, Elazığ

- Responsible for supporting the development of the LLM-RAG pipeline and data processing tasks as a bursary researcher.

Freelance AI Developer & Entrepreneur | Self-employed

May 2025 – Present | Remote

- Developing AI-powered solutions for freelance clients.
- Exploring startup opportunities in AI and data science.

Translator | Kodland

Jul 2024 – May 2025 | Online, Türkiye

- Translated and adapted Kodland's educational content into Turkish.
- *Position ended in May 2025.*

Tutor | Kodland

Feb 2024 – Feb 2025 | Online, Türkiye

- Taught Python to students aged 10–17 in an interactive and structured way.

Intern | FLO

Aug 2023 – Sep 2023 | Online, Türkiye

- Explored different departments and business operations within FLO.

Content Writer | Medium

Oct 2022 – Present | Online, Türkiye

- Write articles on books, technology, software, and personal experiences.

EDUCATION

Bachelor's Degree | Fırat Üniversitesi

Aug 2019 – Jul 2024 | Elazığ, Türkiye

- GPA: 3.65 / 4.00

Erasmus+ Exchange | Wyższa Szkoła Technologii Informatycznych

Feb 2023 – Jul 2023 | Katowice, Poland

- Participated in the Erasmus+ Student Mobility Program.

Erasmus+ Exchange | Wyższa Szkoła Technologii Informatycznych

Feb 2024 – Jul 2024 | Katowice, Poland

- Second participation in the Erasmus+ exchange project.

Master's Degree (Ongoing) | Fırat Üniversitesi

October 2024 – Current | Elazığ, Türkiye

- Specializing in Artificial Intelligence.

PROJECTS

TÜBİTAK 2209-B Project: AI in Nanotechnology

2024 – Present

- Developing a deep learning system for classifying SEM images of nanomaterials.
- Our project was granted support under TÜBİTAK 2209-B.
